**GIVING WORLD
INTERNATIONAL**

INTRODUCTION

Welcome to our charity newsletter! We are thrilled to share with you the latest developments in our mission restore hope among vulnerable children, youth, and women in communities to create a path out of hunger for themselves and their communities. This includes focusing on youth, children, and women.

Firstly, we would like to express our gratitude to all partners, donors and volunteers who have continued to support us during these times. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

We aim to help communities where children, youth, and women are empowered to improve their livelihood through appropriate and affordable alternatives.

1 GWI In Collaboration With Commonwealth Youth Council Empower Youth Through Digital Innovation and AI Education

Aburi, Ghana – March 14, 2025 – In a landmark partnership, Giving World International (GWI) joined forces with the Commonwealth Youth Council to empower young people with vital digital skills. The dynamic event, hosted at Aburi Girls' Senior High School.

The project was focused on promoting digital innovation, artificial intelligence (AI) education, and capacity-building for students and youth leaders. The hybrid event at Aburi Girls' SHS brought together about 200 students, along with youth leaders, policymakers, educators, and community stakeholders, to promote digital empowerment and shape the future of young people.

2

Clothe a Child Project

Access to basic necessities like clothing remains a daily struggle for millions across the globe. In response, Giving World International launched Clothe a Child—a charitable initiative dedicated to providing underprivileged children with essential clothing and food.

- The project specifically supports children at St. Elizabeth Home in Jamaicaso, Aburi, Ghana, aiming to improve their quality of life through generous community donations. Giving to an NGO like this is more than an act of kindness—it's a powerful way to transform lives.

3

GWII Leads Inspiring Celebration of International Day Of The African Child 2025

To mark the International Day of the African Child 2025, Giving World International (Ghana), in partnership with Harris Deck Foundation (Nigeria), Mama's Shelter for Hope (Uganda), and Agape Sisters Organization (Liberia), hosted a major event themed: "Planning and Budgeting for Children's Rights: Progress Since 2010."

The event provided a vital platform for reflecting on 15 years of progress in promoting and protecting the rights of African children. Stakeholders from across the continent came together to engage in insightful discussions, evaluate policy outcomes, and explore forward-thinking strategies for sustainable investment in child welfare.

4

Donation To Bliss Bright School (Empower Berekuso)

Giving World International stands as a beacon of hope in the fight against hunger and poverty. We provide vital resources, education, and employment opportunities that empower individuals and uplift communities. Through sustainable programs, we work to break the cycle of poverty, helping families build independent and thriving futures.

Giving World International: Fighting disease, protecting lives. We deliver crucial healthcare services, vaccinations, and medical supplies to underserved communities. With a focus on prevention, education, and access to life-saving treatments, we're committed to building a healthier world where every life counts.

5

Berekuso Presby A & B And L/A JHS School Building Project

We believe that every child should have access to a safe and inspiring place to learn. That's why we were thrilled to launch a fundraising campaign focused on upgrading the infrastructure of the Berekuso Presby A & B and L/A JHS School — specifically the teachers' bungalow and toilet/bath facilities.

The current state of the facilities at Berekuso Presby A & B and L/A JHS School was far from ideal. Both students and teachers were doing their best in difficult conditions.

However, with the help of compassionate individuals, we transformed the school into a thriving learning environment where every child has a chance to succeed.

We raised funds for materials like cement, steel, bricks, and roofing to build a Teachers' Bungalow and Toilet/Bath facility. This project aimed to improve safety, expand learning space, and create a better environment for students and staff.

CONCLUSION

At Giving World International, our mission remains clear: to break the cycle of poverty, promote children's rights, and ensure access to essential healthcare and education for all. From empowering youth through digital innovation to advocating for the rights of African children, and delivering life-saving medical support to vulnerable communities, our impact continues to grow—thanks to your support. Together, we are building stronger, healthier, and more self-reliant communities. Join us as we continue to transform lives, one initiative at a time.
